

Take a Second. Make a Difference.

***Invites you to nominate someone who has impacted youth
by "taking a second to make a difference"***

Hudson Community First is conducting its "Take a Second, Make a Difference" campaign. We are asking the citizens of Hudson to help us identify and recognize those individuals around us who are acting to make a difference in the lives of our youth. It is in these momentary acts of kindness that we often connect with those around us and often make a difference in their day or even their lives. Please as you observe these acts; nominate the individual for their good deed. Your nominee will be recognized with a letter and car cling to display. There are NO age restrictions regarding nominees! Please provide us with as much of the information as you can and drop this in the "Take a Second, Make a Difference" nomination box at your school office, the library, Acme or Learned Owl. Forms can also be mailed to: Hudson Community First, P.O. Box 515, Hudson, OH 44236.
