## WHY DOES HUDSON NEED COMMUNITY FIRST?

Youth in Hudson, like most communities, face challenging and difficult decisions as they grow and mature. However, external assets such as support, empowerment, clear boundaries and expectations, and a constructive use of time, as well as internal assets such as a commitment to learning, positive values, social competencies, and a positive identity, help them grow up happier, better able to make good decisions, and less likely to get involved in risky behaviors. Hudson Community First provides a framework in which all members of the community can help young people understand these assets and incorporate them into their lives.

## WHAT CAN YOU DO TO MAKE A DIFFERENCE FOR HUDSON YOUTH?

Everyone is molded by the many people, places and events that were part of their growing up years. As individuals we can all have a positive and formative impact on Hudson's youth. Community members can...

- **Take a Second. Make a Difference.** - with just a momentary act of kindness you can make a lasting impression on how a child/adolescent perceives adults and themselves.
- **Get involved** - present at a career panel, join our volunteer board, make a donation.
